Rodman Early Childhood Program

The Canton Public Schools would like to invite you and your preschooler to visit our quality, developmentally appropriate, multisensory early childhood program. In our language based classrooms, led by highly qualified teachers, preschoolers of all ability levels play and learn together in an inclusive environment that nurtures diversity, cooperation, understanding, and acceptance. Additional information including schedules, tuition, and our application can be found on our website at: https://www.cantonma.org/preschool/index.

This year we are offering the following options to visit our program through an open house!

In Person/Tuesday, January 25th at 5:00-6:30pm
(snow date will be Thursday, January 27th)
Virtual/Wednesday, January 26th at 11:00am
Please RSVP to one of the above dates scanning the QR code or using the link below:
