# **The Hockomock League**

## **Scholar Athlete Awards Dinner**

The Hockomock League Principals and Athletic Directors would like to welcome you to the 30th Annual Hockomock League Scholar Athlete Awards Dinner. The twenty-four athletes that are being honored this evening have been selected by the Administration of their respective schools and represent the top student athletes in the Hockomock League based on academics, athletic participation, sportsmanship, leadership, and citizenship. They have all successfully balanced a demanding academic schedule along with participation in athletics as well as many extra-curricular activities during their high school career. To be selected for this award represents four years of dedication and commitment, and we are proud of all their accomplishments. We hope that these student-athletes will put all of their experiences over the past four years to good use and that those experiences will help guide them through the challenges ahead.

We congratulate the parents and guardians for your contributions and guidance as you have enabled your child to reach this level of excellence. We are certain that the foundation you have given them will carry them through future endeavors.
