

Getting Started with FirstClass Mail

Go to www.cantonma.org and on the upper right side, click webmail

or

Go to <http://fc.cantonma.org/>

Click the download link to download the FirstClass Client

Follow Step 1 completely, then Follow Step 2 to finish the FirstClass Client install

From your desktop, double click the FirstClass Icon to launch FirstClass Mail

FirstClass.Ink

Enter your USERNAME (last name first initial)

Enter your PASSWORD

The first time you login, you will be prompted to change your password. Please do so.

- Note: If you receive an error message setting up your new password, it is most likely not long enough. We recommend 8 characters. In the event you received the error message, your password will default back to the original password you used to enter the account. You may change it next time.

Congratulations on completing your new email setup!
