

Riverside Theatre Works Summer Program

Our goal as a Summer Theatre Program is to provide a place for students to learn and have fun at the same time. We provide the experience of producing a musical show and the many aspects associated with a full scale production. Students gain not only theatre experience, but learn discipline and life skills. Exposing students at these ages to theatre opens their minds to an experience and an art form that they may not have previously considered.

*"Riverside has not only instilled me with
wonderful confidence on stage but also the
confidence I need to succeed off stage too."*

~ Jacki Clark

RTW student 2005 - present.

*"When I think of RTW I think of my home
away from home...I have seen myself grow as
both an actor and a person. I am fortunate to
have stumbled upon RTW because I know I'm
now that much more prepared for whatever
life throws at me. Thanks RTW!"*

~ Lisa Joyce,
