

Dear Grade 8 Students and Your Parents:

Welcome back to school! On behalf of the entire Galvin Middle School staff, I hope you have enjoyed your summer. During the summer recess we have been working to clean the building, schedule classes, and hire new teachers. We are looking forward to a productive school year.

School reopens for students on **Tuesday, September 7**. When you enter the building, homeroom lists will be posted on the bulletin boards in the lobby area. Find your name/homeroom and proceed directly to that assignment.

There is no specific supply list required. Teachers will make recommendations to help you get organized the first days of school and you will have time to gather the recommended materials after that time. Obviously, writing materials and notebooks for each subject are important starting points.

We hope you have a successful and meaningful 8th grade year.

Sincerely,

Thomas C.. LaLiberte
