Champions Science Adventures Summer Day Camps engage children ages 6-12 in action-packed science fun!

Each week long camp program is filled with *fun experiments, individual projects* and *engaging science*. Over 92% of parents surveyed said they would recommend Champions Science Adventures Camps to a friend. As the largest provider of science enrichment programs in the US with 30 years of experience, your child is sure to enjoy an unforgettable summer experience.

Join Champions Science Adventures this summer for the *WILDEST* summer camp season yet! 2010 camp topics include: Mystery of the Pharaoh's Treasure, Go Wild!, Space and Rocketry 2010, and Gizmo's Robot Factory.

To Enroll Call 888-458-1812 or Visit www.discoverchampions.com.
