

Rev. Rachel P. Wildman, *Priest in Charge*

Trinity Episcopal Church Canton located at 1 Blue Hill River Road is pleased to announce its scholarship program for high school seniors residing in Canton, MA. This is our fourth year offering the program and again four \$1,000 scholarships are available to award in 2024.

Our scholarship program is centered on the UN 2030 Agenda for Sustainable Development. The agenda, adopted by all United Member States in 2015, provides a shared blueprint for peace and prosperity for people and the planet, now and into the future. There are seventeen goals, recognizing that ending poverty and other deprivations must go hand in hand with strategies that improve health and education, reduce inequality and spur economic growth— all while tackling climate change and working to preserve our oceans and forests.

In support of these efforts, Trinity Parish addressed the sixth UN goal by creating a clean water source for the village of Chamhawi, Tanzania.

Eligibility:

The Trinity Episcopal Church of Canton Scholarship is open to all high school senior residents of Canton who plan to enroll at an accredited university, college, or trade school.
