The team discussed future plans for CPS. Topics discussed to prepare for the upcoming Cabinet Retreat included:

- Preparing for the Cabinet Retreat which takes place 7/19/22 - 7/21/22
- Improve the way the District looks at language/terminology with regard to evaluations of the Superintendent
- Identifying ways to improve timing issues
- Members of the Teaching and Learning Alliance will bring in all pieces of the Superintendent's Entry Plan, the Strategic Framework, and the 3 documents from the School Committee (Supt. Planning and evaluation Preparation Guidance, SC Evaluation Plan for the Supt. Indicative Strategic Planning, Focus Indicator and Goal Setting Guidance)
- There was the question if the 3 docs can be accomplished in one year
- Committee members would like to set timelines and keep timelines as part of all future planning
- Looking for measurable and actionable goal setting
- Determining the number/amount of strategic initiatives and priorities for short and long term planning
- What infrastructure and technology is needed to improve efficacy
- Members discussed the timing of the plan. What will be done/seen in the August plan, what will be spread out over 5 years
- Focus on student needs, being sure all student needs are being met

Chair Merenda closed the meeting at 1:08 p.m.
