## **Superintendent's Report School Committee Meeting of Thursday, June 18, 2020**

**Jennifer Fischer-Mueller, Ed.D.  
Superintendent of Schools**

### **Superintendent Activities Highlights**

Town Election: Congratulations to our newest School Committee member Mr. Charles Rae and to re-elected member Ms. Nichola Gallagher. Both members will serve on the School Committee for a three-year term. We look forward to working with both Mr. Rae, Ms. Gallagher and the entire School Committee as we continue to achieve the common goal of improving educational opportunities and excellence for our students.

And, a huge thanks to the following students who volunteered at the polls on Tuesday.

Joshua Cohen  
Lily Hazam  
David Riviere

Kelly MacDonald  
Jesse Baez

Stephanie Ondiwa  
Adam Elkadi

Parent Survey: Earlier this week, parents received an email where they were invited to complete an anonymous family [survey](#) to provide feedback about recent remote learning experiences for their children. I encourage parents to take a moment to complete this survey as your voice and feedback are critical as we plan for the Fall.

### **Updates**

Summer Academic Opportunities: Today, Ms. Debbie Rooney shared resources for summer reading, math and online academic options for elementary students. Resources include a Barnes and Noble summer reading program, Canton Public Library resources, grade level specific math games and more. The complete letter can be found [here](#).

High School Science MCAS 2020-2021: The Department of Elementary and Secondary Education (DESE) came out recently with an update that pertains to High School MCAS requirements. The State is adjusting the Science competency determination for current high school students. Any 11th grader who has not yet passed a science MCAS, and current 10th and

current 9th graders who were not able to take their Science MCAS this Spring will not be required to take a Science MCAS ***as long as they have obtained a passing score in the appropriate science course***. Current 8th graders will be the next class for whom the competency determination will return to the original requirements. We anticipate additional information about MCAS testing requirements for 2020-21 and Accountability measures in the near future.

Fall School Improvement Plans: As you may recall, principals presented their End of Year School Improvement Plans (SIP's) at the last two School Committee meetings. Elementary and preschool SIP's were presented on May 28, CHS and GMS reviews were presented on June 11. The next step in this process is for principals to present their full school improvement plan for the Fall. More information will be forthcoming about when the Fall SIP's will be presented.

# School Closure and Reopening Update

June 18, 2020

School Committee Meeting

Dr. Jennifer Fischer-Mueller, Superintendent

Mr. Barry Nectow, School Business Administrator

## REOPENING MASSACHUSETTS IN PHASES

The goal of this phased reopening plan is to methodically allow businesses, services, and activities to resume, while avoiding a resurgence of COVID-19 that could overwhelm our healthcare system and erase the progress we've made so far.

- Each phase will last a minimum of three weeks and could last longer before moving to the next phase
- If public health data trends are negative, specific industries, regions, and/or the entire Commonwealth may need to return to an earlier phase
- The Commonwealth will partner with industries to draft Sector-Specific Protocols in advance of future phases (example: restaurant specific protocols will be drafted in advance of Phase 2)
- If we all work together to defeat COVID-19, we can proceed through each phase

## Planning for Now - June - Update

- Moved to Phase 2 on June 8th
- Anticipated Moving to Phase 3 on June 29th
- Luce - 5th Grade Promotion Ceremony - Tuesday, June 23rd
- Hansen - 5th Grade 'Rolling' Clap-Out! - Monday, June 22nd
- JFK - Grade 5 Celebration - Monday, June 22nd
- Drop Off/Pick Up Mostly Complete
